

Ticonderoga Tiger and Wolf Den

2009 - 2010

Hi Parents,

Let us introduce our selves and help educate you on how some things work in the “World of Scouting”. First, it helps to understand that the Tiger Den are the Scouts in first grade and the Wolf Den are Scouts in second grade. We have found it beneficial for the Scouts and leaders to generally combine the groups allowing us to accomplish more. We say generally because there will be some differences.

The official Leaders goes as follows along with our contact information:

Todd Bilow for Tiger 585- toddbilow@yahoo.com

Walt Lender both Tiger and Wolf 585-3365

wlander@lakegeorgeassociation.org

Helen Barton-Benedict for Wolf 929-3014 benedict09@nycap.rr.com

Our troop has many dens and when all the dens get together it is called a Pack. Once a month, the fourth Tuesday of the month, our Tuesday evening is shared with the whole pack. As a pack we will also do a variety of events and volunteer programs.

Each week, Todd, Walt and Helen will provide a “at home” suggested part of scouting. These will be mostly great family based programs that you may even already do. The information we provide will correspond with the Tiger and Wolf book for you and your scout to explore. Once you have completed the book section, please sign it in the book so your scout will receive credit.

If you have ideas or “Go See It” trips you would like to see covered, please let us know. We are very excited to start a great Scouting year and encourage as much parent collaboration as possible. This is our first year as leaders (and Todd’s first year of scouting like it maybe for yours are well) so please do not be shy - it you have questions we would love to talk with you.

Warmest Wishes,

Helen, Walt and Todd
